The learner should already have completed their NVQ level 2 in Body Repair

Ideally, the Apprentice will have achieved GCSE's at Grade C or above in Maths and English or completed Key Skills,

Literacy & Numeracy at L2 and I.T at L1

Course Content

The main qualification is the IMI Level 3 Diploma in Vehicle Body and Paint Operations: Body Repair. The Apprentice will compile a portfolio of proof of competence, comprising of Witness testimony, direct observation & oral questioning. There are 6 mandatory units.

On their day release they will be studying the **Institute of the Motor industry (IMI) Certificate**, which is made up of the following:

Mandatory

- Contribute to Workplace Good Housekeeping
- Health & Safety
- Maintain Positive Working Relationships
- Remove and Replace Vehicle Body Panels
- Repair Vehicle Body Panels
- Rectify Vehicle Misalignment

Each unit has a multi choice test paper and to complete the full qualification they must pass an on-line examination.

Course Duration and Format

Normally 1 year, dependant on prior knowledge and experience. The Apprentice will spend 4 days in the workplace and attend College 1 day per week.

What support is available during the training?

A member of Tameside College Training will provide support and guidance throughout and will also visit both you and your Apprentice in the workplace every 8 weeks.

How do I apply for free training?

By contacting us direct on either the telephone number or on the email link.

How much do I need to pay the Apprentice?

There are no set standards for wages but a minimum of £95 per week is mandatory. Levels will vary depending on the type of job and how much experience the Apprentice may already have.
